Re: **Final Notice for Payment of Year 2000 Permit Fees, Minerals Regulatory Program**

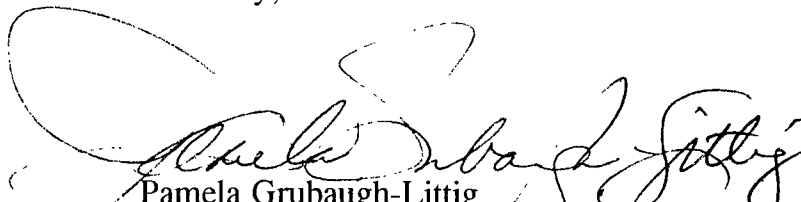

Dear Permittee:

Our records indicate we have not received your year 2000 permit fee payment. The enclosed "*Delinquency Notice*" is your third and **final** reminder from this office that your fee payment is overdue. On June 30, 2000, we sent out the first billing notice, then on August 30, 2000, a second delinquency notice was sent to you regarding the collection of annual permit fees by this Division. **All past due fees not received by October 30, 2000 will be turned over to the Utah Office of Debt Collection (ODC) for further action.**

In addition to referral to the ODC, the Division may pursue permit revocation proceedings before the Board of Oil, Gas and Mining. Permit revocation would terminate your permit and your authorization to explore and/or mine the lands under permit and require immediate reclamation of surface disturbances at the site.

If you have questions or concerns with this notice or believe you have been billed in error, please contact me at (801) 538-5268, Wayne Hedberg, Permit Supervisor at (801) 538-5286, or Joelle Burns, Engineering Technician at (801) 538-5291. Thank you for your immediate attention and your cooperation in this regard. If you have already submitted your 2000 fee payment, please disregard this notice.

Sincerely,

Pamela Grubaugh-Littig
Acting Associate Director, Mining
